

## Application for Special Connection

This application along with an executed Plumbing Permit number from the division of plumbing having jurisdiction of the Premise to be served this [redacted] day of [redacted], 20[redacted], by [redacted] (a customer in the State of Missouri or authorized agent to execute this application), hereinafter called the "Applicant", to the Missouri-American Water Company (a corporation of the State of Missouri), doing business in the City/ County of [redacted], hereinafter called the "Water Company."

The Applicant, upon the terms and conditions hereinafter set forth, hereby applies to the Water Company for a [redacted] inch service pipe at the property address of [redacted] connected to the water main of the Water Company on [redacted] Street between [redacted] Street and [redacted] Street in the City/ County of [redacted] for the purpose of attaching to said service pipe the following fixtures and openings:

Fire Service size: [redacted]" Domestic Service size: [redacted]" Irrigation Service Size: [redacted]"

- **Residential Fire Sprinkler:** [redacted] YES [redacted] NO
- **No. of Sprinkler Heads:** [redacted]
- **Total Requested GPM Demand:** [redacted] GPM \* (*Includes both domestic and fire suppression*)
- **Number of Private Fire Hydrants:** [redacted] (*As approved by local fire authority*)
- **Do Plans Include Fire Pump:** [redacted] YES [redacted] NO

**Fire Pump Data (If so equipped):** [redacted] GPM at [redacted] total head. Also include a copy of the certified pump curve. Pump installation must be equipped with a fire pump suction control valve preset to regulate the pump so that suction pressure is not allowed to drop below a Water Company designated pressure.

Applicant agrees to be bound by all terms and conditions of the Application and of the Water Company's Tariffs, Rules, Regulations, Specifications and Conditions of Water Service, local plumbing or building codes and the Missouri Department of Natural Resources Code of State Regulations; all as they presently exist, or as they may hereafter be modified, altered or changed from time to time. Applicant further agrees to pay the Water Company for the private service applied for herein at the schedule of rates currently in effect or as adjusted by tariff from time to time during the rendition of such service.

IN WITNESS WHEREOF the Applicant has certified that the above information filled in is correct and the Applicant has executed this application on the date first above written.
