

## SECTION 01 00 03

### ALTERNATIVES

#### PART 1: GENERAL

##### 1.01 RELATED WORK

- A. Alternative equipment and/or materials must be listed in the Bid. Failure to submit information on alternative equipment and/or materials as requested by the Engineer is cause for rejection of the proposed alternative and only the specified equipment and/or materials will be permitted to be incorporated in the finished project.
- B. All alternative equipment and/or materials offered in the Bid must comply with the detailed requirements of the Drawings and Specifications and shall be covered by the specified guarantees and warranties. If it is determined that the alternative equipment and/or materials do not conform to the Specifications, such proposed alternative shall not be accepted and installation of the specified equipment and/or materials shall be required.
- C. No alternative materials and/or equipment will be incorporated in the finished project except an alternative accepted in writing by Owner pursuant to the requirements of this Section 01 00 03 Alternatives. Acceptance by Owner of any such alternative shall not relieve Contractor of responsibility for assuring that any such alternative will, after installation or incorporation in the Work, conform to any performance requirements and other information given in the Contract Documents and be compatible with the design concept of the completed Project as a functioning whole as indicated by the Contract Documents.

##### 1.02 SUBMITTALS

- A. Specified equipment and materials have been used to prepare the Drawings. Changes in piping, wiring, structure, etc., necessary to accommodate alternatives accepted by Owner shall be submitted to the Engineer for approval.

##### 1.03 PAYMENT

- A. All installation costs necessitated by the selection of alternative equipment and material shall be included in the Contract price and any modifications as stated in the Bid.
